Family of The Month

Our Family of the Month for May is Gene & Shirley Wolf. Gene serves as an Officer for our Council, works on the Free-Throw Contest as well as the Fish Fry's. Married almost 60 years, he and Shirley attend St. John Vianney, where they have been very involved for many years. Serving as Ushers, Greeters, Eucharistic Ministers as well as helping with the Funeral luncheons. They have three daughters, nine grand children and nine (soon to be ten) great grand children. After several years in the Heating & Cooling business and 19 years at Steelcase, Gene retired. Both he & Shirley now enjoy spending time with family & friends.

Congratulations Gene & Shirley!

M.I. Drive "Thank You"

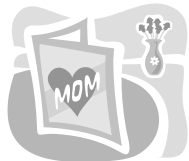

Thanks very much to all of you that were involved in the MI Drive this year. The final tally will be around \$13,000, which is consistent with past years. Thanks to Pam and John Hagen and Jeremy and Nikki Batcke for counting the money, Clairice Kozak for preparing and coordinating the food for the MI workers, the store captains, Dave Sheeran, Jim Worth, Terry Priest, Ed Tusing, Tim Pelletier, Dave Patterson, Denny Zvirzdis, Keith Woodrum and Bob Boes, Dave Kozak and the entire Bingo Group for the generous donation to the MI Drive, all of you who worked a shift, or shifts at the stores, and everyone that donated food and helped Clairice to feed the workers. I understand that on Saturday alone, over 80 workers were at the Hall enjoying the food and brotherhood. So not only did all of you help the Knights contribute financially to the intellectually disabled in our community, we also had an opportunity to share in the fraternity of the Knights.

Also a very big thank you to the Bishop Haas Women's Guild and the St. Mary Magdalen Women's Guild for their generous financial contribution. On the inside of the Tootsie Roll wrappers, you will see that over the past ten years, the Knights have contributed more than \$1 billion and provided nearly 594 million hours to those with intellectual disabilities and others in need.

To all those involved in the MI Drive this year---THANK YOU. To those of you who could not help this year, please try to make it a priority for next year. We could do so much more for the intellectually disabled if we had 100% participation from our members. To help in this area is who we are as Knights.

May God Bless each of you and your families.

Ron Pelka M.I. Chairman

May Day Superstition

First thing in the morning on May 1st, young girls used to rush out into the garden to wash their faces in the May dew.

There is an old tale that says that May dew has magic properties and that anyone who has washed their face in it will have a beautiful complexion all through the year. This dew was supposed to be able to remove freckles, spots and pimples.

Women's Guild News

May Meeting on Thursday, May 3rd

To the disappointment of all the members who attended the April meeting, after a lengthy discussion, we have come to the realization that it is now time to dissolve the Guild. It has been a 50 year era of much hard work in helping the Knights of Columbus Council #4362 from its start-up stage to the current stage, as well as the numerous Charities benefiting from the dedication of our members.

Our final meeting will be a Banquet for all the current members in *Appreciation* for the many years of service to the Guild. We will honor all of the Past Presidents as we have always done at the May meeting, and a special recognition for the remaining two founding members; ***"Helen Krebill and Stella Kaminski"***.

For this meeting, bring with you a short story you have about an experience you had with the guild. For example, it can be an experience you had during the early years, regarding a fund raiser, or some of the social times. I will be gathering these stories and putting them together in an article about the Past 50 years of the Guild. "The Good Times".

April 26th is the Bus Trip to Soaring Eagle. The bus is full and a good time is anticipated for all. At the April meeting it was voted on to Donate \$500.00 of the trip profit to the MI Drive, along with the \$500.00 already set aside, making this years donation to the MI Drive by the Guild **\$1,000.00**. We will also be discussing which charities we want to help with the remaining funds in our treasury at the May meeting.

Keep in your prayers all those who are struggling with sickness and pain, and remember those who have passed away.

May God Bless.

Midsummer's Day

The middle of summer comes after the longest day and it is a time associated with witches, magic, fairies and dancing.

On the eve of Midsummer's Day, many bonfires used to be burnt all over the country. This was in praise of the sun, for the days were getting shorter and the sun appeared to be getting weaker, so people would light fires to try and strengthen the sun.

Martyrdom of K of C Saint Featured in Major Motion Picture

For Greater Glory tells the story of the persecution of Catholics in Mexico during the 1920's, including the death of Father José María Robles Hurtado.

When the Mexican government of Plutarco Elías Calles began persecuting the Catholic Church in the 1920's, priests were not immune. In fact, they became targets of the regime.

One of the hundreds of priests killed during that time for simply carrying out his priestly ministry was Father José María Robles Hurtado. His martyrdom in 1927 at the hands of Mexican troops is depicted in the film *For Greater Glory*, which opens in the United States June 1.

The film sets the story of his martyrdom in the broader context of the persecution of the Church in Mexico at that time. During that same period, the Knights of Columbus in Mexico was instrumental in founding the League of the Defense of Religious Liberty, which organized economic boycotts and petition drives in response to the persecution. When a civil war broke out between the government and Catholics, the Knights of Columbus worked to bring about peace. Standing in solidarity with the persecuted Catholics in Mexico, the Knights raised funds for humanitarian relief of those displaced and for the education of the American public about the horrific acts of the persecution. A delegation of Knights even met with President Calvin Coolidge in 1926 to discuss ways in which the U.S. government could influence the Mexican government to end the persecution.

The K of C did this in the face of attempts by the Calles regime in Mexico to eliminate the organization and despite strong support for Calles in the United States from powerful groups like the Ku Klux Klan. In the end, the pressure brought by the Knights of Columbus and others to end the conflict, and restore peace had an effect, and in 1929 the U.S. government helped broker an agreement between the Mexican government and the Catholic Church, which ended the worst of the persecution.

"For many years, this period of history has been all but forgotten on both sides of the border," said Supreme Knight Carl A. Anderson. "This year, with the release of *For Greater Glory*, the story of the struggle for religious freedom in Mexico will begin to be told. With religious freedom now an important issue of discussion here in the United States, every American who values faith and freedom should see this film. As we watch it, we should rejoice that we live in a country where we settle debates over religious liberty with ballots, not bullets, and in courtrooms rather than on battlefields. Seeing how Catholic Mexico remains today, this film also serves as a timely reminder that — from the earliest days of the Church's history to the present era — persecution does not stifle the faith, but emboldens it."

The relics of Father. José María Robles — and those of five other Knights of Columbus priest martyrs canonized by Pope John Paul II in 2000 — are currently on a nationwide tour throughout the United States. A fascinating behind-the-scenes documentary with historical background, titled *For Greater Glory – The True Story of the Cristeros*, will be broadcast on several networks to accompany the June 1 premiere of the movie *For Greater Glory* on June 1.

Fun Facts

June is known for the large number of marriages that occur over the course of the month. According to one etymology, June is named after Juno (Hera). Juno was the goddess of marriage and a married couple's household, so some consider it good luck to be married in this month.

In Iceland, folklore says that if you bathe naked in the morning dew on the morning of June 24, you are supposed to keep aging at bay for longer.

Women's Guild News

On May 3rd, the women's Guild held its final meeting after 50 years of service to the Knights of Columbus Council #4362. We had a Banquet for all the current members in *Appreciation* for the many years of service to the Guild. All members were present except two, and we pray that they will soon feel better. The past Presidents were honored as well as our two remaining founding members, "**Helen Krebill and Stella Kaminski**".

It was a wonderful evening of fellowship and memories. And even though the Guild has dissolved, many of the members will continue assisting the council as they have done in the past. A big thanks to all those who took the time to turn in an article about your experience with the guild. I will be working on a final article about the Guild for next month along with Nikki.

We also discussed how we would disburse the remaining funds in our treasury. We had a total of \$136.15 from the Saving Nickels for St. Jude drive, and this amount would be increased to \$250.00 as a final donation. It was voted on that we would end the Guild as we had started it, by assisting the Council. The balance of the money will be going to The Knights of Columbus Council towards the kitchen exhaust system after we have cleared the bank account statement of any outstanding expenses.

Keep in your prayers all those who are struggling with sickness and pain, and remember those who have passed away.

May God Bless.
